## RECOGNIZING MONTANA WEST ECONOMIC DEVELOPMENT

• Mr. DAINES. Mr. President, today I have the distinct honor of recognizing and congratulating Montana West Economic Development for its 25 years of service to the communities of north-west Montana. As a small, private non-profit, MWED has spent the last quarter century working to attract, launch, and grow businesses.

From their launch in the late 1990s, MWED has worked to help diversify local economies and attract capital investment. Their vision has always been the long-term health of the northwest Montana economy. From maintaining and growing economic drivers such as rail and timber, to growing new businesses in the manufacturing, tech, and service sectors, their work has provided substantial support and opportunities to grow northwest Montana's economy. They have also provided loans and services to launch dozens of local small businesses and run the Montana Procurement Technical Assistance Center to help local companies with the government contracting process.

I have had the pleasure of working with MWED on a number of projects including the construction of the Kalispell Bypass and the Kalispell CORE and Rail project. They believe in their community and advocate strongly for its needs. Despite facing obstacles, MWED staff always maintains a can-do attitude and works to find solutions while maintaining the trust of community leaders.

Congratulations to Montana West on their 25th anniversary. I look forward to working with them on more projects for years to come.●
